INDEX

This book was digitized by:

The Brantley Association of America

This book cannot be located by the Library of Virginia. The images were taken from a microfilm roll and the pages were not numbered. Thus the page number seen here while in numerical order, will not appear on the original book or microfilm roll

Special appreciation and recognition is extended to Eugene L. Jones of Burtonsville, MD, Brantley Association member #593, who alone indexed this book, this Jun/Jul, 2011

A copy of the digitized book and its index has been presented to Rick Francis, Clerk of the Southampton County, Circuit Court.

Site Index is Included

This index is believed to be 90% correct with regard to the inclusion of names and the spelling shown by the clerks. Some are indexed more than once; first by the name entered by the clerks and again when found by researchers to be correctly spelled another way or, in some cases, when it is known that the name later evolved to another. To continue to refine the work, the Association actively solicits corrections to the index. Corrections will not be made immediately, but periodically. Send corrections to: brantleyassoc@bellsouth.net. Note: We cannot guarantee that all input will necessarily be adopted into the final product.

The researcher will see many entries accompanied by different symbols or tags. Tags for this index are:
