Marriage Book 4

INDEX

This book was digitized by:

The Brantley Association of America

Special appreciation and recognition is extended to Project Manager, Bobby Don Brantley of Winter Garden, FL, Brantley Association member #631, who, alone indexed this marriage book, this Jan-Apr, 2010.

A copy of the digitized book and its index has been presented to Rick Francis, Clerk of the Southampton County, Circuit court.

Site Index is Included

This index is believed to be 95% correct with regard to the inclusion of names and the spelling shown by the clerks. Some are indexed more than once; first by the name entered by the clerks and again when found by researchers to be correctly spelled another way or, in some cases, when it is known that the name later evolved to another. To continue to refine the work, the Association actively solicits corrections to the index. Corrections will not be made immediately, but periodically. Send corrections to: brantleyassoc@bellsouth.net. Note: We cannot guarantee that all input will necessarily be adopted into the final product.

The researcher will see many entries accompanied by different symbols or tags. Tags for this index are:
