Court Order Book

INDEX

This book was digitized and indexed by:

The Brantley Association of America

Special appreciation is extended to Association members, Pam Wiggins of Franklin, Virginia, who, alone indexed, by draft, this entire Court Order Book this May 2009.

A copy of the digitized records and its index have been presented to Rick Francis, Clerk of the Southampton County, probate court.

This index is believed to be 90% correct with regard to the inclusion of names and the spelling shown by the clerks. Some are indexed more than once; first by the name entered by the clerks and again when found by researchers to be correctly spelled another way or, in some cases, when it is known that the name later evolved to another. To continue to refine the work, the Association actively solicits corrections to the index. Corrections will not be made immediately, but periodically. Send corrections to: brantlevassoc@bellsouth.net. Note: We cannot guarantee that all input will necessarily be adopted into the final product.
