INDEX

This book was digitized by:

The Brantley Association of America

Special appreciation and recognition is extended to project manager and Brantley Association member (#593), Eugene L. Jones of Burtonsville, MD, who, alone, indexed this deed book, this Nov/Dec, 2009.

A copy of the digitized book and its index has been presented to Rick Francis, Clerk of the Southampton County, Circuit Court.

Site Index is Pending

This index is believed to be 90% correct with regard to the inclusion of names and the spelling shown by the clerks. Some are indexed more than once; first by the name entered by the clerks and again when found by researchers to be correctly spelled another way or, in some cases, when it is known that the name later evolved to another. To continue to refine the work, the Association actively solicits corrections to the index. Corrections will not be made immediately, but periodically. Send corrections to: brantleyassoc@bellsouth.net. Note: We cannot guarantee that all input will necessarily be adopted into the final product.
