

Southampton County, Virginia
Will Book 3 - Guardianship Records
 1772 -1783

INDEX

This book was digitized by:
The Brantley Association of America

Special appreciation is extended to book project manager; Dale W. Whitfield of Wake Forest, North Carolina who, alone, indexed, by draft, this entire will book, this Sep/Oct, 2009.

A copy of the digitized record and its index has been presented to Rick Francis, Clerk of the Southampton County, Virginia Circuit Court.

Site index included

This index is believed to be 90% correct with regard to the inclusion of names and the spelling shown by the clerks. Some are indexed more than once; first by the name entered by the clerks and again when found by researchers to be correctly spelled another way or, in some cases, when it is known that the name later evolved to another. To continue to refine the work, the Association actively solicits corrections to the index. Corrections will not be made immediately, but periodically. Send corrections to: brantleyassoc@bellsouth.net.

Note: We cannot guarantee that all input will necessarily be adopted into the final product.
